Badminton Club Super Stars Most is organizing the 19th Victor International Super Stars Camp for players of all age categories. The Camp is traditionally held as part of the summer. On the international summer camp, we are working closely with qualified coaches to prepare this year's program; their duties will be on the physical, technical and tactical aspects. We will again prepare three-phase training blocks. There will also be athletic training, recovery training in pool and fitness trainings in modern sports center. For the regeneration in swimming pool we will use city Aquadrom (pool, jacuzzi, sauna, steam room).

Players can use massage services and much more. Top level facilities, friendly atmosphere and excellent coaching team are a guarantee. It can be seen from good results obtained and satisfaction of all participants from previous years. Sudhakar Reddy Cup 2023 will be organized for all participants during the camp. The main sponsor of the 19th International Super Stars Camp is again a famous Asian badminton brand Victor. This brand was founded in 1968 by Mr. Den Li Chen in Taiwan. Become a part of the best preparation in the Czech Republic.
